RE: Emergency Letter to Justin Hill, Attorney General

To ROBERTA HILL <rbhill67@comcast.net>

Good Afternoon Ms. Hill,

I am in receipt of your son's letter and affidavit attached to your last e-mail. At the outset of his letter, he indicated that he did not receive a copy of my previously filed motion for an extension or motion to consolidate. Could the two of you please confirm whether he still lives at 310 Forest Street, Apartment 2, Martinsville, Virginia 24112? According to my records, copies of both motions were mailed to that address. Because he stated that he did not receive them, I wanted to ensure I still have a correct address for any future mailings. As a courtesy, I have also attached to this email a copy of both of the motions Mr. Hill stated that he did not receive as well as the Court of Appeals' response. I would ask that you please pass those along in the event Mr. Hill still needs them.

With regard to the other issues Mr. Hill raised, please understand that I cannot give him legal advice nor can I take any legal action on his behalf. I would recommend that he speak with his attorney, Fred Smith, about his concerns over filing pleadings in the Court of Appeals. I would note however, that the Commonwealth would be amenable to a continuance request in cases 0313-23, 0314-23, and 0317-23 while Mr. Hill handles his pending contempt charge in the circuit court. If you could pass that information on to Mr. Hill, I would appreciate it.

I hope you both have a wonderful evening.

Best Regards,

Justin B. Hill | Assistant Attorney General

Subject: Emergency Letter to Justin Hill, Attorney General
Importance: High

Justin Hill,

My son Brian Hill wanted me to email you his emergency letter and affidavit since he cannot file anything in the Court of Appeals in Virginia or any state court until the day after Friday, October 13, 2023. They are attached.

There is a public petition now asking people all over America to get behind asking Virginia to pardon Brian Hill. In case his due process rights get taken away from him, Brian is mailing a new documentary about federal corruption to more and more prominent activists about his whole legal plight. More and more people will be notified about Brian's legal horrors overtime.
